IIT PATNA

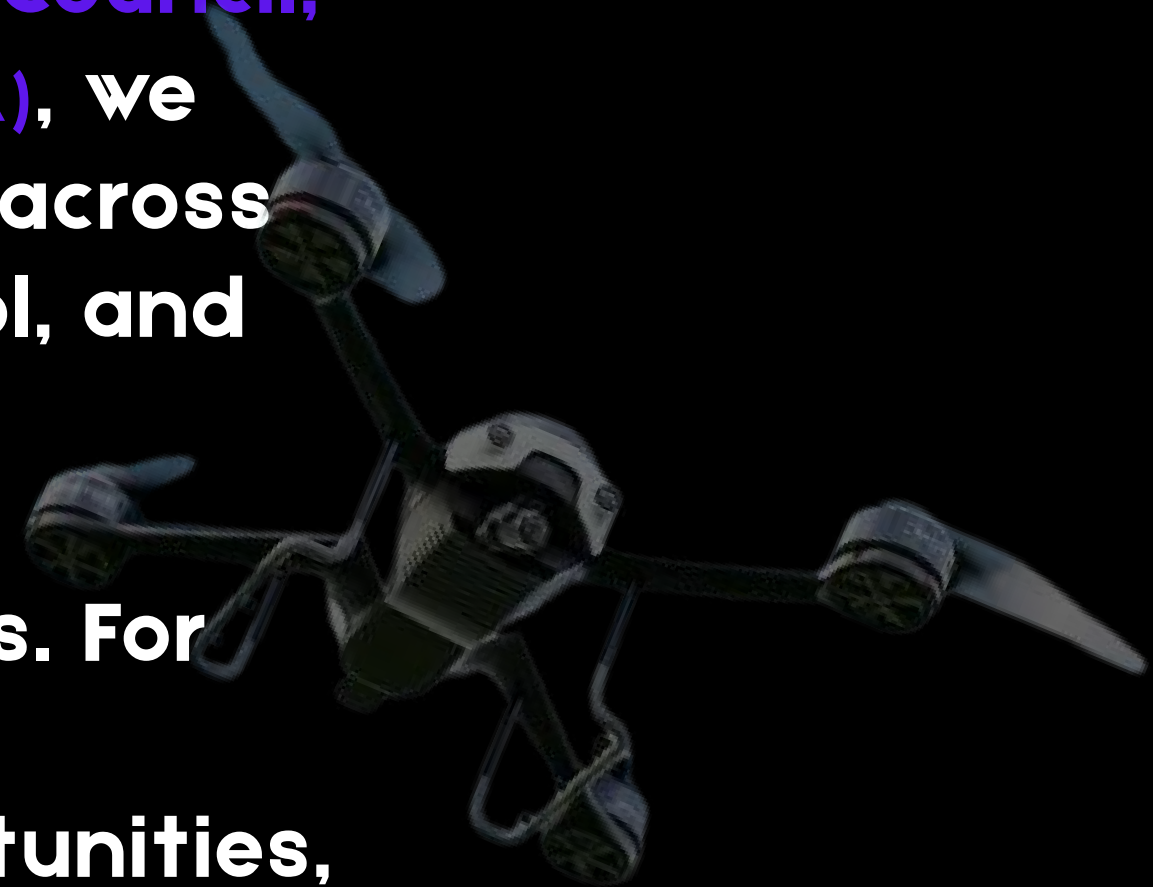

CONSPECTUS

ABOUT

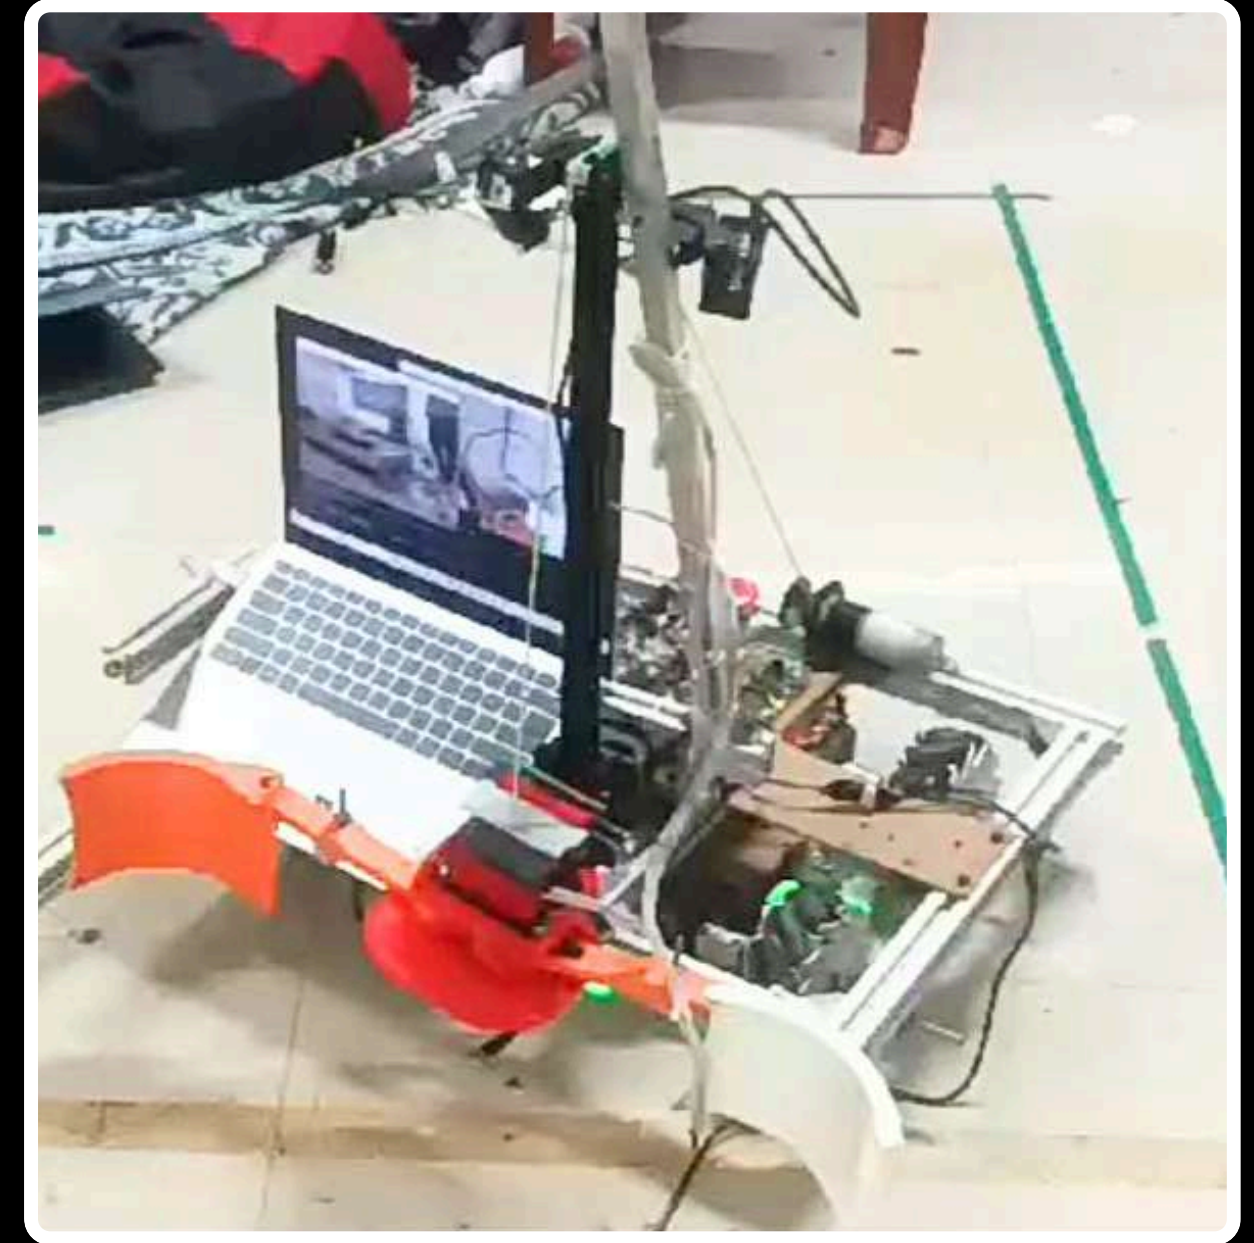

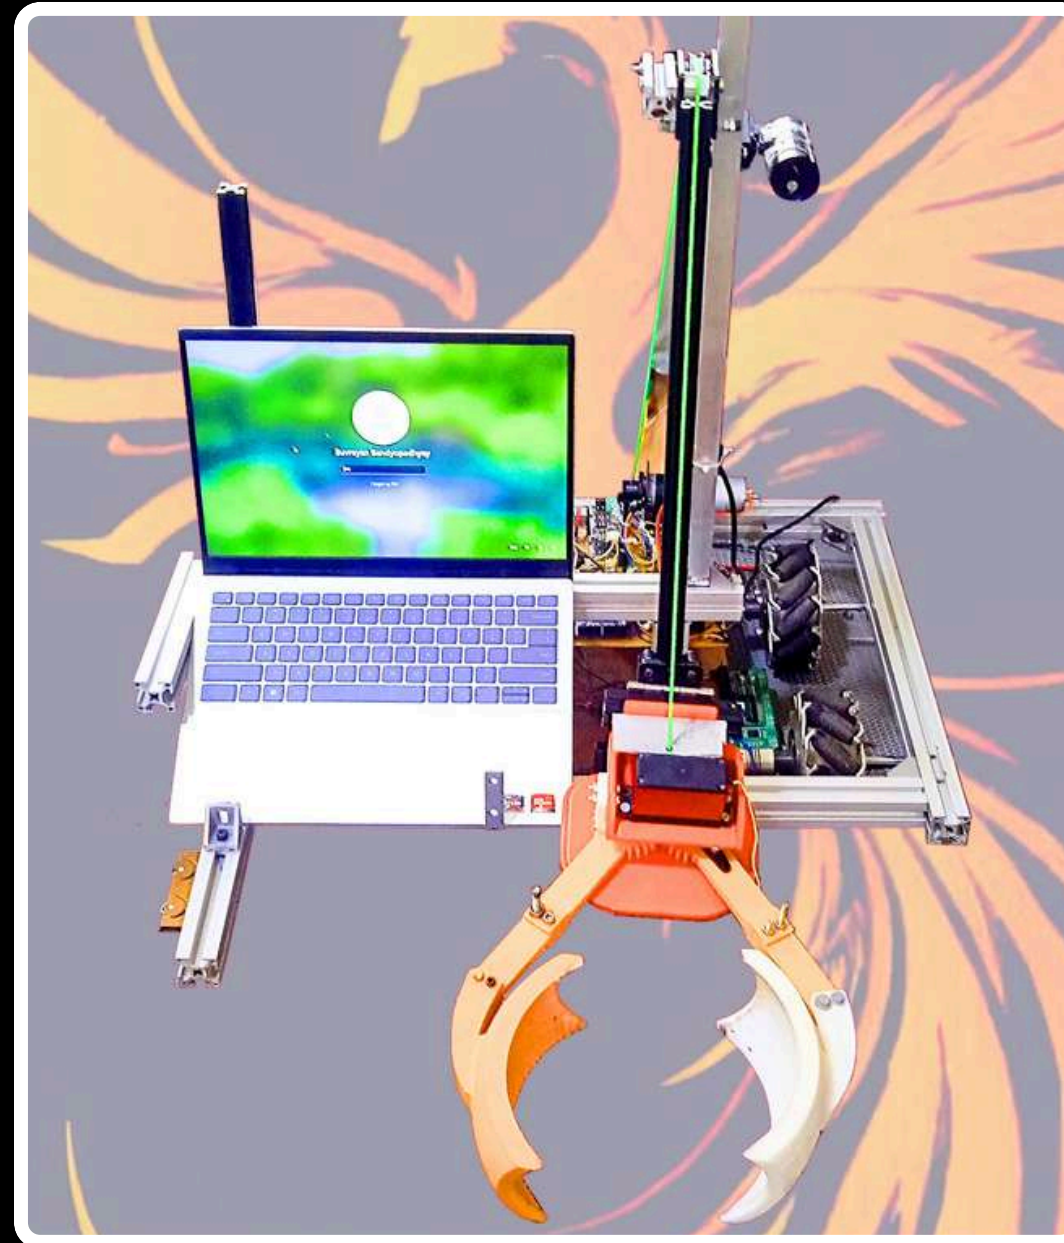

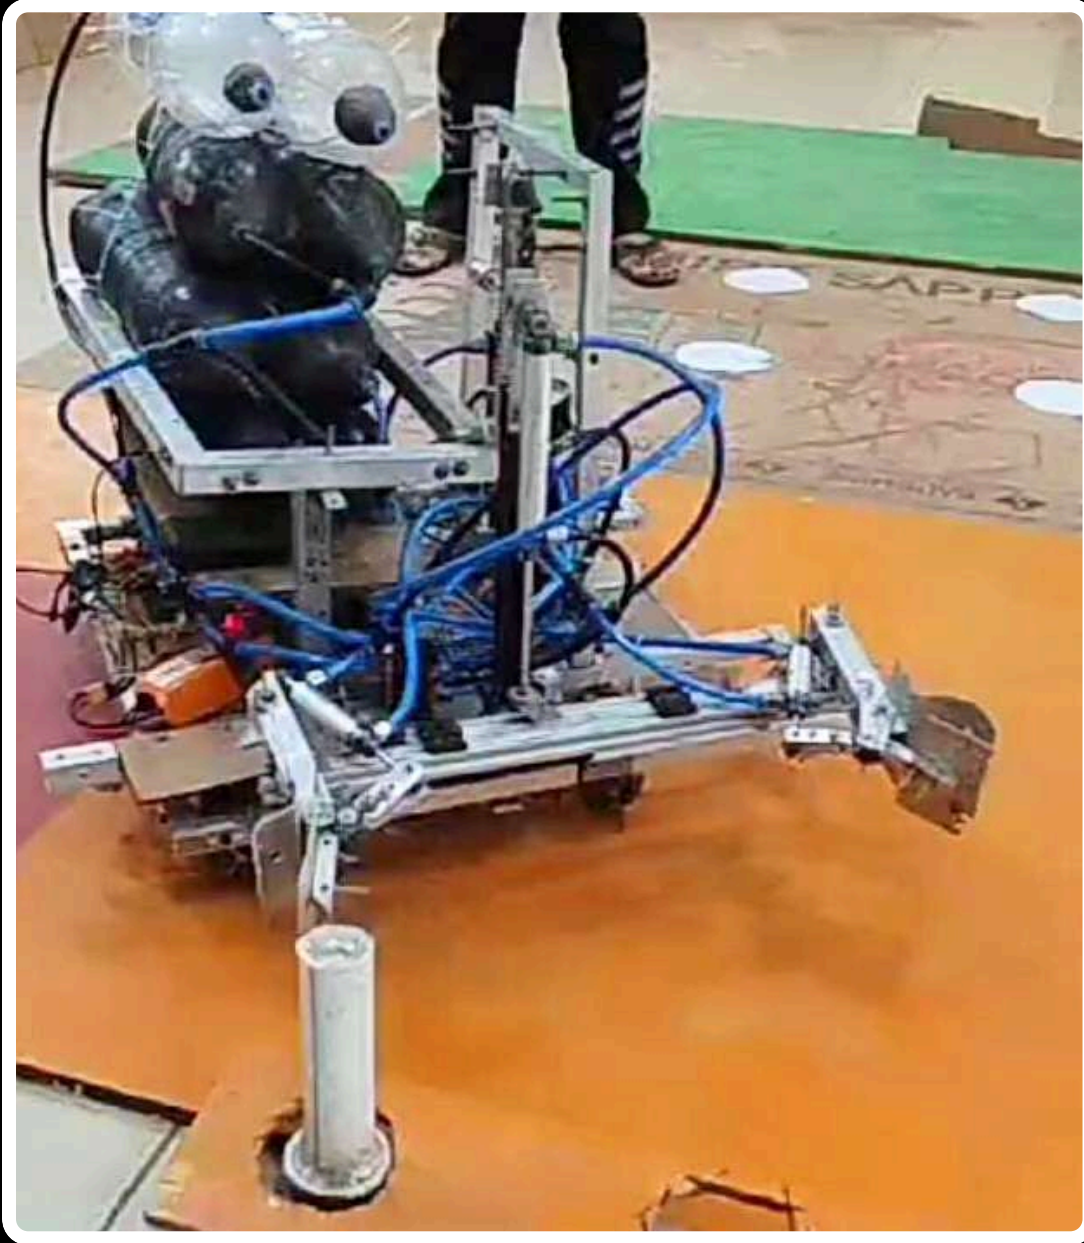

Team Phoenix is the official robotics team of **IIT Patna**, participating in competitions such as **ABU Robocon** and the **ISRO Robotics Challenge**. Supported by the **Students' Technical Council**, **Tinkerer's Lab**, and the **Rocketry and Aviation Club (RnA)**, we combine theoretical knowledge with practical innovation across autonomous robotics, machine learning, real-time control, and embedded systems.

We invite you to join us in shaping the future of robotics. For sponsorship discussions, technical demonstrations, or to explore partnership opportunities, please connect with our team leadership.
